PROFESSIONAL EXPERIENCE

Accounting Manager

NAYLAM (Alhalqat Almahuwriyah Company for Information Technology) | Jeddah, Saudi Arabia | March 2025 – Present

Saudi-based ground transportation company specializing in premium chauffeur services, supported by integrated fleet management and proprietary technology.

- Lead the finance and accounting function, providing strategic direction and ensuring compliance with IFRS, corporate policies, statutory requirements, VAT, and ZATCA e-invoicing regulations.
- Direct financial planning, budgeting, forecasting, and business partnering, while developing executive dashboards, financial analyses, and KPI reports to support informed management decisions.
- Oversee month-end and year-end closing, delivering accurate and timely IFRS-compliant financial statements and executive reporting.
- Manage treasury operations, liquidity planning, cash flow forecasting, and working capital to strengthen financial stability and optimize cash utilization.
- Strengthen internal controls, accounting policies, financial governance, and risk management, while leading internal and external audit coordination and resolution of audit findings.
- Oversee end-to-end accounting operations, including General Ledger, Accounts Payable, Accounts Receivable, payroll, fixed assets, and bank reconciliations.
- Designed the Chart of Accounts and led the end-to-end Odoo ERP implementation, integrating finance with operational departments and strengthening accounting workflows, reporting accuracy, and financial controls.
- Lead the financial integration and management of payment gateways and Buy Now, Pay Later (BNPL) solutions, including Tabby and Tamara, strengthening transaction accounting, settlement processing, reconciliation, and financial reporting.

Senior Accountant

Power & Industrial Contracting Est. (KSA) | PIC FZE, SAIF Zone, Sharjah, UAE | KSA: On-site • UAE: Remote | September 2020 – March 2025

Power & Industrial Contracting provides integrated power, electrical, mechanical, and marine solutions.

- Prepared standalone and consolidated financial statements in accordance with IFRS and applicable reporting requirements.
- Managed month-end and year-end closing, general ledger reviews, journal entries, and balance sheet reconciliations.
- Prepared management reports, financial analyses, and KPI dashboards to support management decision-making.
- Developed annual budgets, financial forecasts, and variance analyses to monitor financial performance.
- Managed cash flow monitoring, liquidity forecasting, treasury activities, and working capital requirements.
- Oversaw VAT reporting and ZATCA compliance, ensuring accurate and timely statutory filings.
- Managed fixed asset accounting, including capitalization, depreciation, transfers, disposals, and asset verification.
- Coordinated internal and external audits, prepared audit schedules, and addressed audit observations.
- Led the finance-side workstream for Odoo ERP implementation, developing the Chart of Accounts and collaborating with the implementation team on financial data migration, account mapping, system integration, and user acceptance testing (UAT).
- Supervised junior accounting staff and coordinated with procurement, operations, HR, and project departments to improve financial processes.

PROFESSIONAL EXPERIENCE | CONTINUED

Funding & Factoring Accountant

Al Yusr Leasing & Financing Company | Saudi Arabia | January 2018 – May 2020

Saudi financial services company providing leasing and financing solutions to individuals and businesses.

- Managed accounting activities related to asset-based financing, receivables factoring, loan assignments, and funding transactions with leading Saudi banks.
- Prepared and coordinated funding requests, financing documentation, and bank facility arrangements.
- Recorded and reviewed financing transactions, including fund disbursements, repayments, accrued finance costs, and accounting adjustments.
- Coordinated with banks and financial institutions regarding financing arrangements, facility renewals, repayment schedules, and settlements.
- Prepared financing portfolio reports, receivables ageing analyses, funding utilization reports, and management information.
- Reconciled financing and bank accounts, investigated discrepancies, and ensured the accuracy of financial records.
- Supported IFRS reporting, external audits, regulatory requirements, and lender due diligence through financial schedules and supporting documentation.

Accountant

Al Yusr Leasing & Financing Company | Saudi Arabia | May 2011 – December 2017

- Maintained the general ledger and recorded financial transactions in accordance with accounting policies and applicable standards.
- Prepared journal entries, bank reconciliations, balance sheet reconciliations, and monthly financial reports.
- Managed accounts payable and receivable, supplier payments, customer collections, and account reconciliations.
- Processed payroll, employee reimbursements, insurance accounting, and statutory deductions.
- Managed fixed asset accounting, including acquisitions, depreciation, transfers, disposals, and fixed asset register maintenance.
- Processed customer payments through SADAD and reconciled transactions with customer accounts.
- Assisted in preparing monthly, quarterly, and annual financial statements, budgeting reports, and audit schedules.
- Coordinated with banks, vendors, customers, and internal departments to resolve discrepancies and strengthen financial controls.

Teacher

Green Hall Education System | Pakistan | August 2009 – April 2011

Taught Accounting, Economics, and Business Studies, developing students' understanding of financial concepts, economic principles, and business fundamentals.

Banking Trainee

National Bank of Pakistan | Pakistan | April 2009 – July 2009
